

THRILLED OF AWARDING 4 SCHOLARSHIPS DESPITE THE CRISIS!

Abundant positive emotions this year at the Foundation, while awarding scholarships of \$1500 each to 4 students whose applications were carefully selected by the selection committee!

Three scholarships were awarded in person and one virtually by zoom in Saguenay, thanks to technology. Covid-19 did not refrain the volunteers and the Foundation from this important mission.

In paying tribute to the generosity of Nicole Saint-Louis, who died of cancer at the age of 24, we draw inspiration from her spontaneity to help others, without expectation, except for... joy.

Nearly \$115,000 in scholarships were awarded since the creation of the Nicole-Saint-Louis Foundation! WOW!

Meet the 2020 scholarship recipients from various regions of Quebec: **Mélodie Picard-Vallières** in Social Work Techniques at Cégep Marie-Victorin in Montreal; **Olivier Saint-Laurent** in Aerospace Engineering Techniques at the National Aerotechnic School in Saint-Hubert; **Sabrina Demers** in Nursing Techniques at Cégep Louis-Lauzon in Lévis; **David Gagnon** in Aircraft Flying Techniques at the CQFA of Cégep de Chicoutimi.
