

HONORING THE GIFT OF GENEROSITY

- Seven New Scholarships for 2014!

In this 12th year, we wish to honour the hundreds of donors, organizations, businesses and volunteers who give so generously to the mission of the Nicole-Saint-Louis Foundation. In awarding seven \$1,000 Scholarships in 2014, we have now reached the 77 Scholarship mark. Since 2003, we can all be proud of the \$77,000 distributed to students whose lives shine forth in their studies with our help... in recognition of their hard work, the witness of their Christian evangelical faith and their involvement in the community.

In memory of Nicole Saint-Louis, whose testimony of generosity and faith never ceases to move us, the Foundation continues to pursue its unique mission and calling. A small organization with great ambitions, by God's grace and your support, we can make a difference... for life! This is possible as we persevere and keep our vision before us.

Did You Know THAT...

The policeman who sees to the security of your neighbourhood next year could be a Scholarship recipient?

The graphic artist who creates the publicity for the next Olympic Games could be a Foundation recipient?

The optician who adjusts your glasses two years from now could also be one of our Scholarship recipients?

**Thank you for
supporting the
Foundation!**

*"Blessed is the
one who trusts in
the LORD"*

*Psalm of David
(Psalm 40:4)*

The Scholarships were awarded in the regions of Quebec City, the Eastern Townships, the Mauricie, Lanaudière, in the Beauce and the Montérégie. It was a wonderful opportunity for the recipients to shine in their communities.

IN RETROSPECT - News from Past Recipients

Geneviève Leduc (2005 Scholarship) was married in July 2013. She and her husband, Cory Anderson, now live in Ottawa where she works as a speech therapist. She wrote, *"A huge thank you for supporting me financially while I was in Bible school. Presently, I am leading a Bible study and prayer group for girls and the education I received is so helpful now!"*

Sébastien Leduc (2002 Scholarship), was our first recipient and now serves on the Foundation's Board of Directors. He had the privilege of handing out a scholarship to a student in Shawinigan this summer. What a great way to come full circle! In September of this year, Sébastien and his wife Naomie had their first child, baby girl Elena Arielle. Congratulations!

SIGNED: NICOLE SAINT-LOUIS

Nicole's signature now graces the new logo of the Foundation. Also, we have redesigned the Foundation's website, making it easier to access and navigate. Thank you to *Redemptive Media* for their generosity and good advice in the process of creating a new site for the Foundation. It is worth the visit: www.FondationNicoleSaintLouis.org!

FRANCE'S FOND MEMORIES

My sister Nicole shone brightly by her goodness and her sensitivity to others!

Behind her timid, soft countenance, Nicole reacted spontaneously and with determination when she saw someone in need. Whether she gave of her time to comfort, to listen, to respond or to pray for others, what little she had, she shared, always looking to

God for help. I witnessed numerous occasions where she saw someone else's pain, even someone she did not know. Without hesitation, she would go over to listen and comfort that person. Nicole was able to recognize someone's suffering that could not be expressed in words. God had placed this gift of generosity in her heart to practice her "mission" with others.

HOW TO MAKE A DONATION

It's easy! By mail, through the web site or with Canada Helps. Every gift is important: One scholarship could be 40 gifts of \$25, 10 gifts of \$100 or 4 gifts of \$250... and thousands of people who are praying! Together, we can make a real difference... for life!

LET'S SAVE THE TREES
