

SHINING ACROSS QUEBEC... 7 SCHOLARSHIPS IN 2015!

Our Foundation is proud to announce the awarding of seven scholarships this year for a grand total of **84 scholarships of \$1,000 granted since 2003**. What a blessing! We can see the day when we will reach 100 scholarships awarded. How can we express our heartfelt thanks to you our donors and volunteers for making the mission of the Foundation possible! In honour of Nicole Saint-Louis, whose testimony of generosity and faith inspires us, the Foundation continues to pursue its unique calling. A small organisation with ambitious goals, with God's grace and your support: to make a difference for life!

Meet our seven recipients of this year's scholarships, chosen by a selection committee. By their talents and their commitment, these are young students who shine forth across the Province: Matane, St-Georges de Beauce, Rivière-du-Loup, Quebec City, St-Jean-Chrysostome, Terrebonne...

LOOKING BACK

Alexandre Perreault (2013 grant) is finally practicing a trade that he loves! Recently, he wrote to us, "In 2013, after many years of hard work in warehousing, following high school, I decided to take the big step towards doing something that always interested me: computer programming. I applied for a grant from the Foundation and with great joy, I was accepted! This helped me follow my plan to attend Dawson College in Montréal in computer programming. I finished my studies and I have been working at iWeb Technologies as a systems administrator for the past year. Thank you so much

for the work you do in encouraging young people to pursue their studies. Even today, I feel honoured to have received this scholarship. May God bless you!"

SHINING ACROSS QUÉBEC

France and Alain Saint-Louis passing through your region to distribute the scholarships in memory of their sister, Nicole. More than 35 years ago, Nicole had given her scholarship to France, trusting God for her own financial needs for her CÉGEP studies.
