

FONDATION *Nicole-Saint-Louis*

FALL 2017

THANK YOU FOR SUPPORTING THE FOUNDATION!

MORE THAN \$92,000 IN SCHOLARSHIPS OVER THE PAST 15 YEARS!

Since its creation, the Nicole Saint-Louis Foundation has always remained focused on its objective: advancing education and evangelical Christian faith.

First, the Foundation awards scholarships to students who make their faith radiate in their respective environment. All recipients are chosen by an independent selection committee. **Since 2003, 90 such scholarships have been awarded.** Glory to God! The Foundation is also delighted to receive, among others, donations from past scholarship recipients who have now joined the work market. As a matter of fact, one of them serves on the Foundation's Board of Directors.

Second, the Foundation shares its blessings with other charities, which makes it possible for the Foundation to fulfill both components of its mission.

This year, in addition to two \$1,500-scholarships, the Nicole Saint-Louis Foundation has also made a donation to four charities working more specifically with the student community.

NEWS FROM PAST RECIPIENTS

Anne Rancourt and Dave Bernard

"While studying graphic communications technology management in college, I had the good fortune to receive a scholarship from the Nicole Saint-Louis Foundation, not only once but twice. After I finished my CÉGEP, I was offered a job in my field by a printer in Québec City, where I worked for 2 years before going back to Beauce, where I was born.

Last summer, Dave Bernard and I got married, just a few

months after he also received a scholarship from the Foundation for his studies in technical drawing. In April, Dave started in his first job for an employer in St-Georges. Today, I work in customer service and evaluation for a printer in St-Georges. We are both grateful for the real help our respective scholarships provided. Thank you, and may you be profusely blessed!"
