

20 YEARS! MISSION ACCOMPLISHED!

It is with great pride in how far we have come that the Board of Directors is reassessing the mission of the Nicole Saint-Louis Foundation.

Indeed, times are changing, so are the needs. The number of scholarship applications has decreased drastically... and consequently the Foundation will end its Scholarship program.

The Foundation is therefore celebrating its 20th anniversary with the conviction of having accomplished its mission. It will terminate activities in 2022, focusing until then on the advancement of the evangelical Christian faith, in memory of Nicole.

4 SCHOLARSHIPS AWARDED IN 2021!

Thanks to the generosity of loyal donors and volunteers in 2021, the Foundation awarded **4 scholarships of \$1,500 each**, from Eastern Townships to Saguenay, in virtual and face-to-face modes.

Congratulations to the Scholarship recipients!

A SPECIAL MESSAGE TO YOU FROM THE FOUNDATION SPOKESPERSON

"It is with a feeling that is both peaceful and nostalgic that I share this last text with you.

The Nicole-Saint-Louis Foundation will have made known to thousands of people the love that Nicole had for God through the manifestation of her values and talents. During the 20 years of the Foundation's life, Nicole's soul has been our landmark, guiding us in the directions that this mission was to take, while succeeding her beyond her earthly life.

My sister Nicole died of cancer on February 3, 1987, when she was only 24 years old. From an early age until our late teens, Nicole and I spent our summers at the Bethel Parole de vie summer camp in Sherbrooke. It was there that I most often witnessed all her generosity. Nicole could recognize suffering beyond words. She left no one indifferent. Through her actions, she shined and lived according to her unwavering faith in God.

Thank you to all of you who contributed to this mission, inspired by Nicole. Together, we have made a difference for LIFE." *France Saint-Louis, Vice-President of the Nicole-Saint-Louis Foundation*
